| 6 | | | Player A catches a pass in the air and is grabbed by B1 and carried backwards where he lands out of bounds a yard back from where he first had possession of the pass. Great play by B1, incomplete pass |
| 7 | | | B1 is being blocked by A1. A2 is being blocked by B2. B2 completes the tackle and the whistle blows. A1 stops blocking and B1 falls backward after the whistle and his helmet comes off. Since the helmet came off after the ball was whistled dead, B2 does not have to leave for one play |

| 11 | | | A is lined up in a scrimmage formation for the Try after a touchdown. B2 reads the pass, intercepts the ball on the one yard line and has a clear path to the endzone. The Line Judge blows his whistle immediately and signals the Try is no good. Correct call by Line Judge |
| 12 | | | K is in free kick formation. The ball is kicked and has travelled 8 yards when K1 crosses the ten yard mark and blocks R1 and R2 to make room and keep them from recovering the kick. Legal play by K1 since it was not excessive and K1 did not "blow up" R1 and R2. |
| 13 | | | B1's helmet comes off during a play and A1 is running straight for B1. A1 runs into B1 who was just standing there after his helmet came off and was not making any movement to participate in the play. |

| 16 | | | To block below the waist legally in the free blocking zone, three conditions must be met. What are they? |
| 17 | | | A1 is on the line of scrimmage on a scrimmage play where A2 is taking a shotgun snap from center. A2 is 4 yards behind the center. On the snap, A1 raises up out of a three point stance and then goes low and blocks B1 below the waist. A1 and B1 are both on the line and in the free blocking zone at the snap – legal block. |
| 18 | | | A1 is a running back lined up 4 yards behind the center. A2 is the quarterback and is taking a direct nap from the center. On the snap, B1 moves into A's backfield where he hits A1, who is in the free blocking zone, below the waist, creating a pile and making it easier for his teammates to pursue and get to the back who has the ball in the free blocking zone. The snap and handoff all occurred in the free blocking zone. Legal Block. |
| 19 | | | There are two types of team conferences: an Outside Nine-yard Mark conference and the Between Nine-yard Mark conference. When the referee grants a time-out for an injury on the field, either team may ONLY hold an authorized conference Outside the Nine-yard Marks. |

| 24 | | | It is 4 th and 10 for A from its own 15 yard-line. A1 fakes a kick and runs beyond the neutral zone and kicks the ball at the A-20. The kicked ball goes out of bounds at midfield. If B declines the penalty for the illegal kick, the loose ball is treated as a fumble and A would retain the ball, 1 st and 10 at the 50. T or F? |
