6.	Use of Penalty Marker, I. C. Page 17	Discretion, officiating position and game situation should determine whether the penalty marker is dropped or tossed. However, as a general rule , throw the penalty marker in the air on a dead ball foul and out to a location or spot on a live ball foul. True or False	
7.	Sounding Whistle, I. A,B, C. Page 15	When sounding the whistle, the official covering the runner should do which of the following: a) Find the ball before sounding the whistle; b) Sound the whistle quickly and loudly when the ball becomes dead; c) Move in quickly to be certain that all action around the runner stops on the whistle.	
8.	Controlling team personnel altercations, I & II, Page 22	In controlling team personnel altercations, which of the game officials are responsible for: a) alerting the coach on their side of the field to keep all team personnel off the playing area; b) recording uniform number of each player involved in the altercation and any substitute that enters the playing area during the altercation.	
9.	Sounding Whistle, II, H. 2. Page 15	When an inadvertent whistle is blown on a running play, the end of the run will determine where the official spots the ball. True or False, explain.	
10.	Running Play Pg. 36, II.A.2.a.	The umpire should count the number of B players on his side of the ball, and indicate to the Referee with a clenched fist that he has counted and confirmed the proper number of players on defense.	
11.	Forward Pass Pg. 42, V.D.	If ruling on a pass reception involving the sideline, only signals #3 (timeout/stop the clock) or #10 (incomplete forward pass) should be used.	
12.	Between-Halves Procedure Pg. 56, I.A.	In a varsity game, the BJ is responsible for ensuring that three minutes are placed on the clock for the mandatory warm-up period <i>prior</i> to the start of the second half and after intermission time has elapsed.	

No.	Rule	Situation	Answer / Notes
13	Time-Out Procedure Pg. 53-54, III.B. IV.A.	During a timeout, the BJ should sound their whistle twice at the 45 second mark, and then again at 60 seconds to signify expiration of the timeout. At the 45-second whistle, both the HL and LJ should inform the head coach on their side of timeout status.	
14.	Measuring for 1 st Down using Line-to-Gain Indicator Pg. 52, I.F.	If the line to gain has not been reached from the side zone following a measurement, R should spot the ball at the nearest hash mark based on his visual assessment of where the ball is at the time of measurement, and additionally ensure the spot is aligned with the spot held by U.	
15.	Four-Game Officials- Kickoff Pg. 58, II.A.1.	In a normal 4-man kickoff formation, U should position himself outside the sideline on R's 20-yard line opposite HL (on the home sideline).	
16	Running or Passing Play Pg. 36, II.A.1.a.	The umpire should stand over the ball facing R until R marks the ball ready for play or until R releases U in any hurry-up situation.	
17.	Forward Pass Pg. 41, III.B.2.	On a quick pass to the side, the HL and LJ need to rule on whether the pass is forward or backward. They accomplish this by "punching" forward or backward so all officials (or players) know the direction of the pass.	
18.	Four-Game Officials - Kickoff Pg. 58, III.A.4.	On a 4-man kickoff, the HL counts R players and is positioned on K's free kick line.	
19	Four-Game Officials – Field Goal Outside 15-Yards Pg. 71, IV.A.B.C.	On a field goal attempt with the ball spotted on the 17-yard line, the LJ should count R players and be positioned on the sideline opposite HL.

20.	RB 2-24-10Pg. 59 #9. Pg. 27 V a 10	K kicks off from K's 40. K1 kicks the ball from the tee and directs the ball to immediately hit the ground and bounce once then straight up high into the air towards R's 50 yard line. What foul has occurred? Who is the covering official for this infraction? Who will report the foul and from where? Reply to both four man and five man mechanics.	
21.	G.O.M Pg. 59 #9 Pg. 50 V1. D	The home team has retreated to the locker room after the completion of the first half of play. The halftime clock has expired. No one from the home time is present or in sight as the three minute warm up clock begins. What penalty has occurred and who should drop the flag. Prior to beginning the second half, who will signal and enforce the penalty?	
22.	RB 3-5-5a	During the JV game an assistant trainer of the visiting team is screaming uncontrollably at you for a time out. This is your first encounter with this person ever. You are the Headlinesman, should you grant the timeout? What would be the best thing for the covering official to do?	
23	G.O.M Pg. 77 1 B 6 RB 3-5-1	The home team Freshmen head coach has requested his third timeout of the second half to confer with his QB. After the ready for play signal, the QB returns to the sideline to confirm what play was called, the coach requests another timeout to avoid a delay penalty. The coach requests that his one unused timeout from the first half be applied. Which official will manage the timeout clock? At what point will the teams be alerted to return to play? Will another timeout be granted or will a penalty likely be enforced?	
24.	RB 3-1-2	During the pre-game meetings with the Referee and the head coaches, the home team indicates that this is their homecoming game and that the halftime intermission will be 25 minutes. The visiting team states that he wants a 15 minute halftime? Should the 25 minute intermission be granted because it is homecoming and because the home team has the authority to set the time?	

No.	Rule	Situation	Answer / Notes
25.	G.O.M Pg. 84	Prior to the next play but after the ready signal the offensive coordinator is occupying the restricted area of the sideline. The flank official asks the coach to move back. The center is now ready to snap the ball and the coach has not moved.	
26.	G.O.M Pg. 85	The ball is marked ready for play. The Line Judge notices that the down marker indicator is not correct. The L J motions aggressively to the HL to correct the down on the box. The ball is snapped and K punts the ball to R.
